# VOICE Of The ORISHA #1

Anikulapo: Voice Of The Orihsa tells the story of ANIKULAPO III, born in the lineage of Summoners, a blood line of spirit beings gifted with the ability to summon the Orishas through thier music. ANI III has taken the responsibilty of restoring his Nation back to purpose and standing for the people as he rages a battle against the corrupt & evil alongside his 7 Queens

## This comic is not POLITICAL it is REVOLUTIONARY

Anikulapo has very strong repretension of African & World corrupt practice, however this doesn't make the book an attack to persons, but a re-education of the mind, a call for the reader to look in wards and see the truth around them and within them, every character is an instrument to teach. The Villian GOVERNMENT is a whole new journey which would intrigue readers

## SECRET SOCIETY

Confirmed! Anikulapo would feature as a main character in SECRET SOCIETY but would not continue to feature in the EMI AAGO series, however Ani would appear in other BADGAIS detective stories. ANIKULAPO #1 would be available in PRINT
