The First Morning Crow To Amadi
following the death of Oba

I HAVE PROTECTED YOUR LANDS, TRADED YOUR GOODS,
HANDED YOU MY AXE TO SMITE YOUR ENEMIES,
YOUR CHILDREN HAVE SLEPT WELL WHEN THEY HEAR
THE CACKLING OF FIRE FOR THEY KNOW I WATCH
OVER THEM ... WHAT DO I GET IN RETURN?
HATE, JEALOUSY, MURDER? YOUR PEOPLE WILL BURY
THIER HEADS IN THE SAND AT THE MENTION OF MY NAME
YOUR SOLDIERS WOULD SEE THE FURY OF MY TWO HEADED
AXE, YOUR WOMEN WILL BEAR CHILDREN FOR MY SLAVES

YOU ... FALSE GOD OF THUNDER, BASTARD DECENDANT
OF A FALLEN TRIBE, YOU DARE TAKE THE MOTHER
OF RIVERS FROM ME, MY ONE EARED BRIDE,
MY FIRST QUEEN. FOR NOTHING?

IT ENDS HERE. YOUR LANDS WILL BE THE
GRAVE YARD OF THE OYO EMPIRE

The “Eye of the sun” Anywanwu has seen
the chosen eternal through the crystal of lazuli
and summoned them. The world is at war, Ogun sleeps.

THE 3RD CONCLAVE

Exactly! You probably (for the lame man) may not know any of these newbies on the 3rd conclave well they are

Well they each play a major role in the story and express unique use of abilities, the 3rd conclave are direct descendants of the 1st / 2nd conclave members, the eternal project started 7 months ago and the team has spent over 2 months day in / day out researching to give you African mythology you will be proud of. We are excited its all finally here

FINDING A BALANCE ACROSS MULT-ETHNIC CULTURES

Researching across all African (at least most of all) cultures was the toughest part of the entire project. Africa is blessed with diversity and deep rooted cultures each unique and distinct with importance to history, but the deeper we went it, the more we realised all of them are and each represented an elements everyone can relate to.

SAY NO TO PLAGIARISM

At the start of the campaign for eternal's the SM team got into a handful after publishing an image without proper rights of use. Vortex has taken this set back as a learning curve and call to need of protecting the work of all artist and creators. The campaign would be called "MAKE ART, DON'T STEAL IT"

This will be handled by our editor in chief and HOP
United Kingdom Bamidele Sogbesan,
