Are you always hungry? do you like to make noise?

Then you have been found worthy of the A.A.L.C! The future depends on our pots of soup and orishirishi. The world needs our tales by moonlight and jokes to be happy! We the local champions are the last stand for humanity against all the Bad belle and agbada gang members that won't let us be great. Local champions! Awoof!

HERO LOMO - ARISE 'O' LOCAL CHAMPIONS

Welcome to the unapologetically wacky universe of AALC aka Hero Lomo, aka Bad Gang . In this universe we bring all your favourite and least favourite vortex characters into one bubble where they tackle real life / human problems while learning to tolerate each other and live as one. Hero Lomo is packed with humour values and life lessons. Sit back and don't forget to learn a local language today!

THE NIGERIA DREAM

Have you ever dreamt of what it would be like to have everything you ever wanted? If Nigeria was a perfect society. Now the problem with that vision is that we often create or utopia in comparison to another's development or reality. All we really need is ourselves understanding our environment and each other and that's the soul of hero lomo
