STRIKE FORCE SPOILERS

#11

Spoil Light

THE WRATH OF KAZEEM AKA MAJUN now we have a real villain in SG after ALL THESE YEARS ... finally Ayodele Dream - maker Elegba has forgiven us our trespasses and given us a villain we can look forward to. (Eki was cool tho and by the look of things he's still very much in the game). Well, we know for sure Ajagbeja is somehow back in the picture ... or do we??

DEATH is just the beginning

Well as the Vortex Universe expands we can tell you for certain Death has a deeper role to play in the turn of events which will alter the universe and characters in more ways than we ever imagined SG 5 is a huge milestone and has inspired a new wave of creativity.

STRIKE GUARD the Animated TV series:

There is something brewing out from the stables of SPOOF animation for the a Strike Guard animated series, this short film will be following the Awon Ibere series, This is a big leap for us and we would be hoping you support the pivot this can brew into other things and create a tidal wave to extend to a series,

THE JOURNEY - Ayodeji Akinwande.

Strike Guard story is trully a remarkable ones that leaves you asking at the end of every issue. What next? it not only shares the beauty of African culture but the modern day setting also reflects our lifestyle.

HOW I FEEL! - Ayodele Elegba

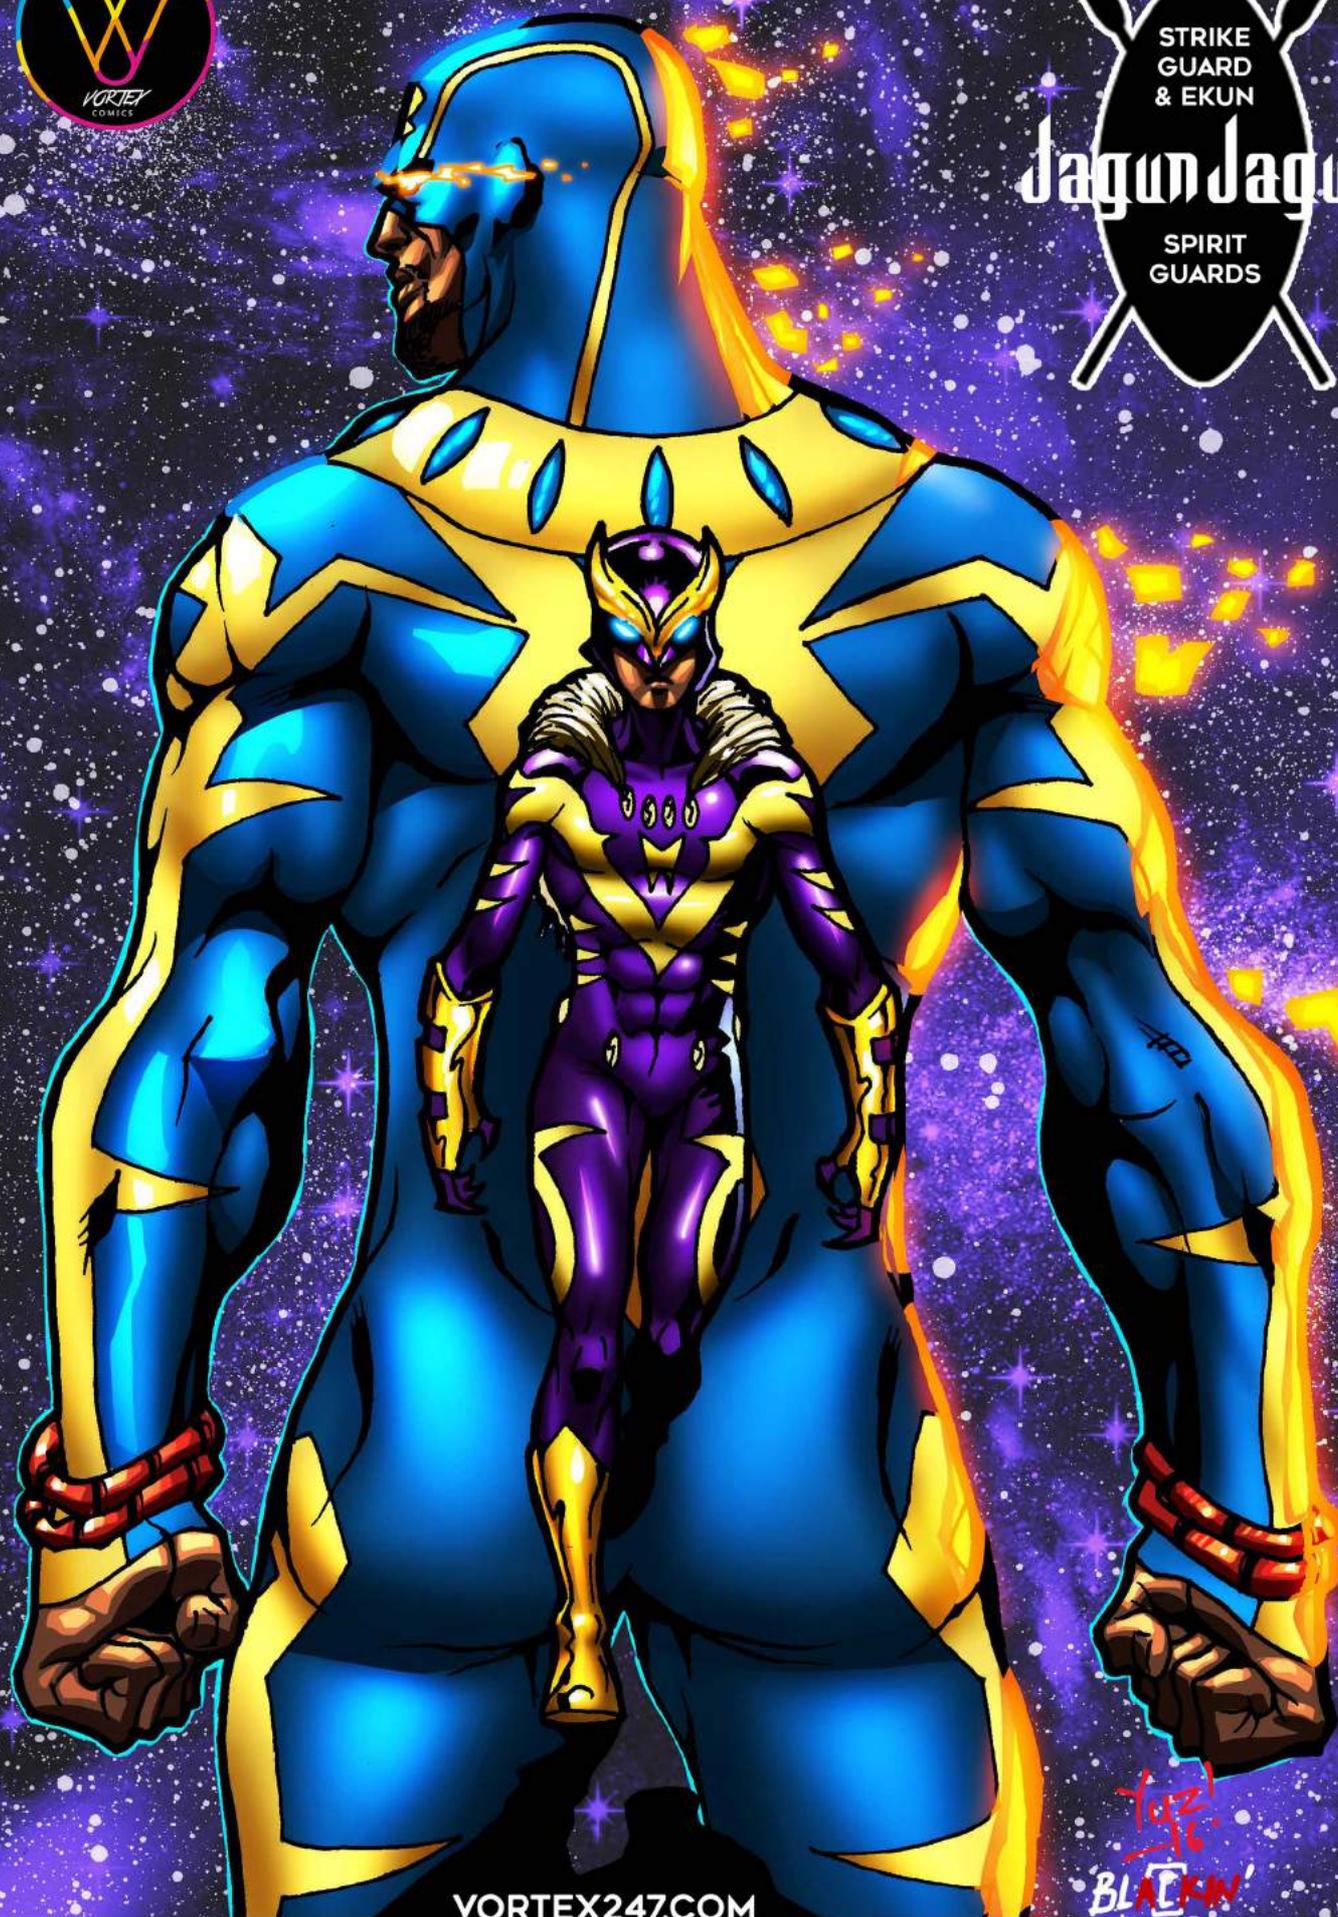

Strike Guard is an expression that would give birth to a whole new generation of writer / creators, The beauty of the story is it could happen to anyone!
