Spoil Light: ALL ABOUT EKUN

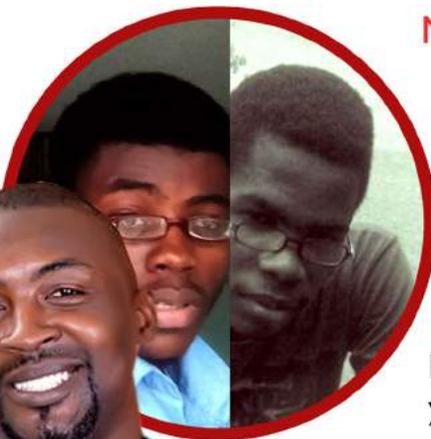

Ekun! Ekun!! EKUN!!! How many times did we call your name? In the 8th issue, closing a mini- arc in the comic series Awon - lberre, So we know absolutely nothing about EKUN, all we know for sure is that he is saving SG's just in the nick of time, we can't reveal too much but that helmet is the key and EKI the rock head is in for some scratching pepper soup.

OKAY AJAGBEJA its enough COME OUT!

Well as the Vortex Universe expands we can tell you for certain Introducing Ekun are we saying that is how SG's time has gone phiam! well what we can tell you is that Ajagbeja is mad busy and will not be open to recieve any calls at the time, if he would answer well, keep reading SG

Collectors Edition OUT NOW!

Nigerias most energetic art partnership!

What we think about EKUN

Ekun reminds me of myself, confident, full of energy and most importantly has a love for danger, he also has a keen sense of humour that puts SG comedy career in the back seat, we are excited about #0 alongside the coming #1 as well

Creator Notes - Dream Maker

Did i create EKUN? No... Its Afolabi Ayodeji, Vortex youngest creator yet, but i believe in the character & endorsed it with SG, the chracters have a very strong bond and similarity, Awon lberre, the story begins.
