Waterloo #2

## PREVIOUSLY ON F.L.U.X

The F.L.U.X unit was dispatched to the Niger Delta in the 2000s on a sabotage mission to cripple the oil business of a mogul in a corporate warfare. Masked by the attempt to subdue the revolting youths of the region and prevent the destruction of the pipelines...

FOURSEVEN COMICS™

THE PLAN IS SIMPLE.

BROWN AND I WILL GO AHEAD OF YOU TO ACT AS DECOY.

SHELL YOU JUST CUT THROUGH THE SWAMP AND WAIT FOR OUR SIGNAL. AVOID ANY ATTENTION.

IF ANYTHING ARISES, WE HAVE OUR COMMS

AND BE READY FOR THE UNEXPECTED.

THE EARLIER WE GET THIS DONE, THE BETTER. WE DON'T WANT THE GENERAL ON OUR NECKS.

THIS IS NOT EXACTLY WHAT I PICTURED WHEN I ENLISTED. AT THE VERY LEAST, NOT ALL THESE MEDIOCRE MISSIONS FOR PETTY INDIVIDUALS.

## #2 FIRE GO!

WE'VE BECOME MERE TOOLS. WHAT'S EVEN MORE DISTURBING IS HOW I'VE COME TO NOT EVEN BOTHER MUCH...

WELL, I'M FAR GONE NOW. IT'S POINTLESS TURNING BACK

AND I'VE HAD ENOUGH STRIKES WITH THE GENERAL AS IT IS...

THE PIPELINE IS CLOSE. I'LL JUST 'CHILL' SOMEWHERE HERE.

<INAUDIBLE>

JUST WONDERFUL... I HAD TO BE THE ONE TO MEET THE UNEXPECTED...

<WHERE ARE THESE GUYS?>

<JUST TO GO AND GET SOME FOOD IS TAKING THIS LONG>
