YAMAR EM SATAKH II**

In the peaceful land Tamare were born twin brothers named Gabab and Djahutwy...

As they grew older they were given powerful swords that allowed them to see the Tataf world...

The Tataf world was a dimension unseen, where evil Tataf blew out hatred and negativity, wanting to cause all who lived on Tamare to become mean...

Yet with Gabab and Djahutwy's swords by their sides, they protect the Tamare peaceful way of life..

Our story continues
12 years later when a baby
named Mahart slept...

A Tataf is near!

Meanwhile at school...

Alright class let's begin.

Eww! I don't want none of that hate on my bike!

I did not see that coming!

okay, okay, okay! We're not ready yet!

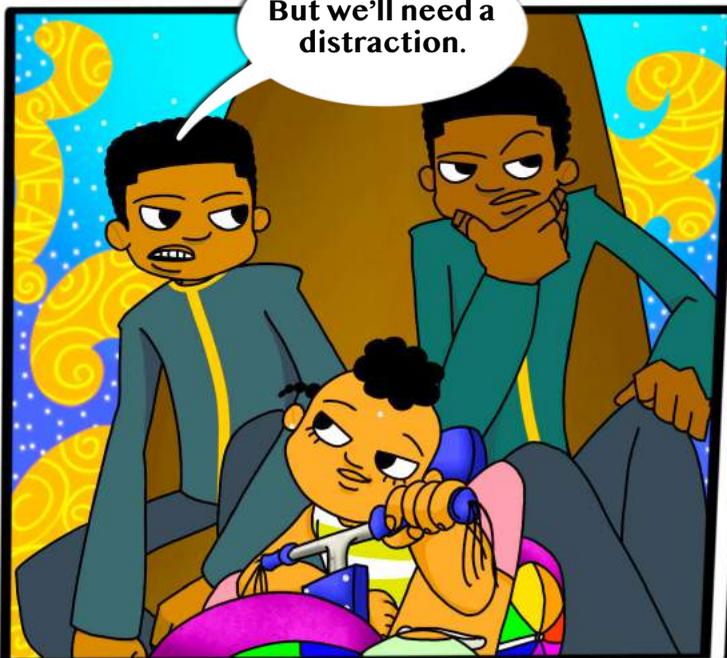

That was close.

Yeah, at this rate we'll keep running away.

We need to get close. We can probably use that tree to get up there.

But we'll need a distraction.

Leave that to me!

Gooo Gooo
Gaaaahh...

Hmmm...

Meanwhile...

Ahhhhh!!!

Don't forget about us!

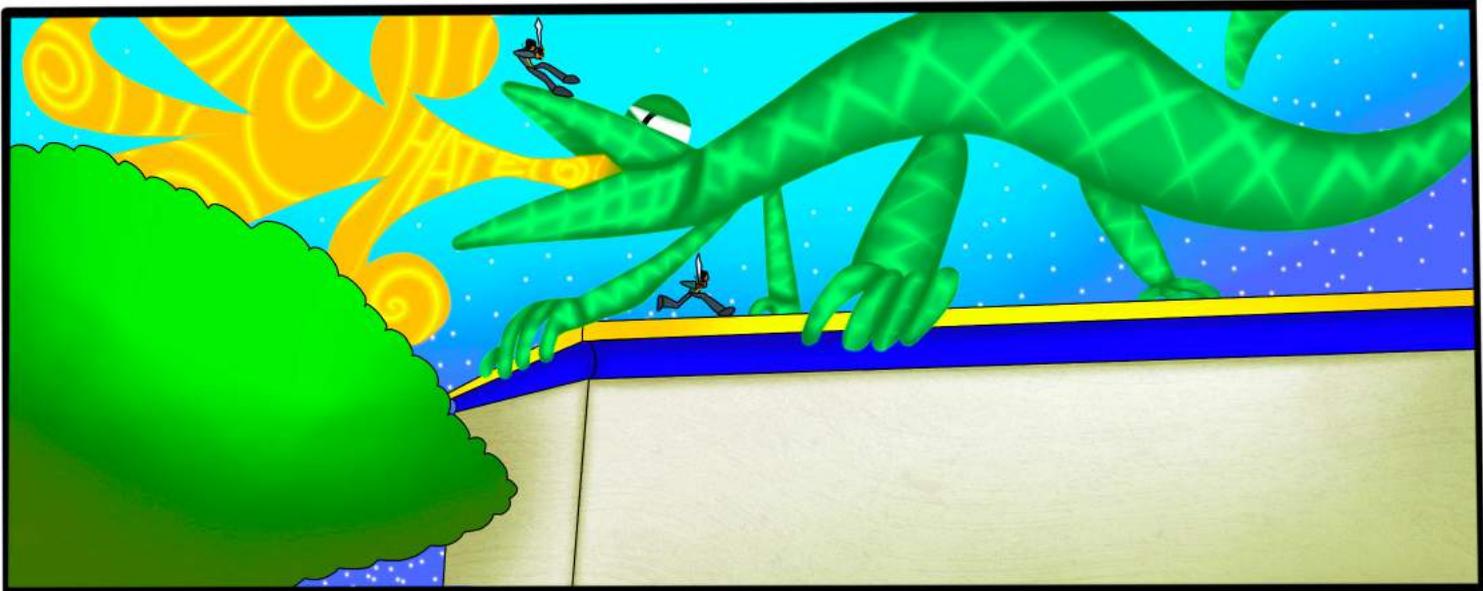

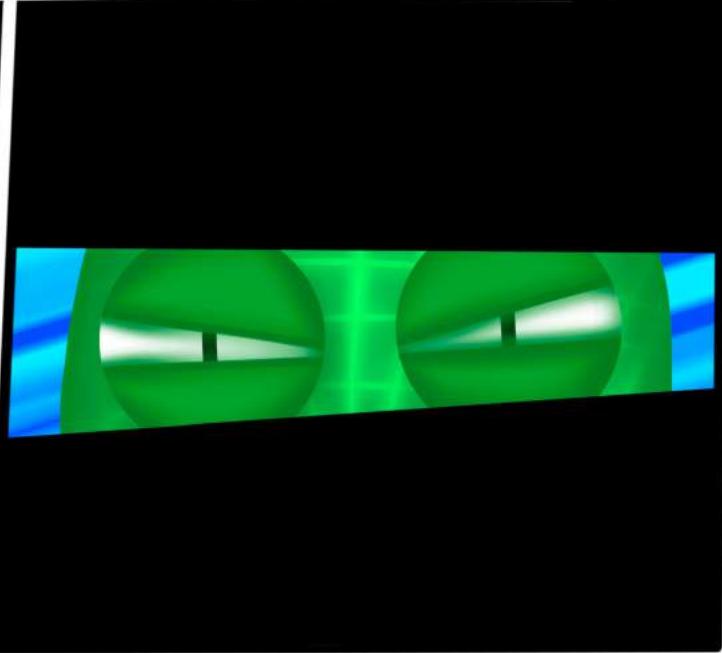

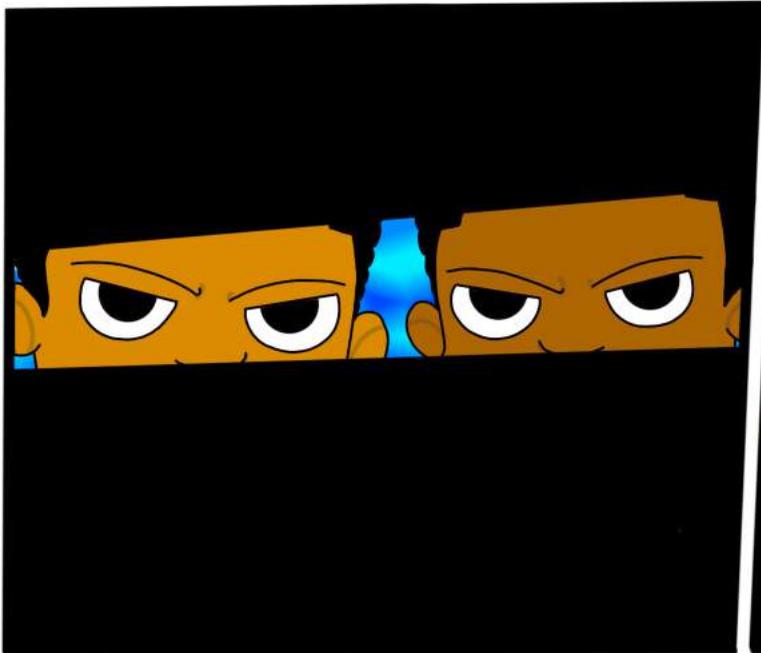

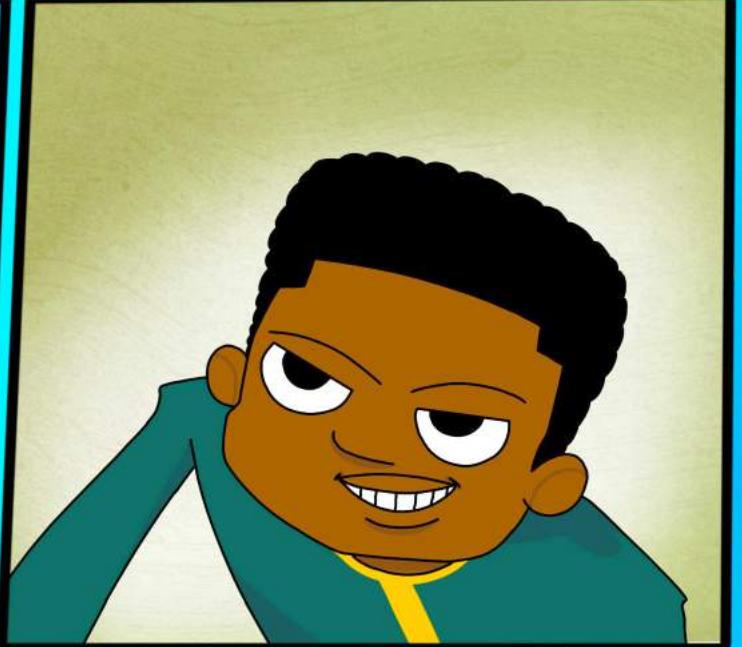

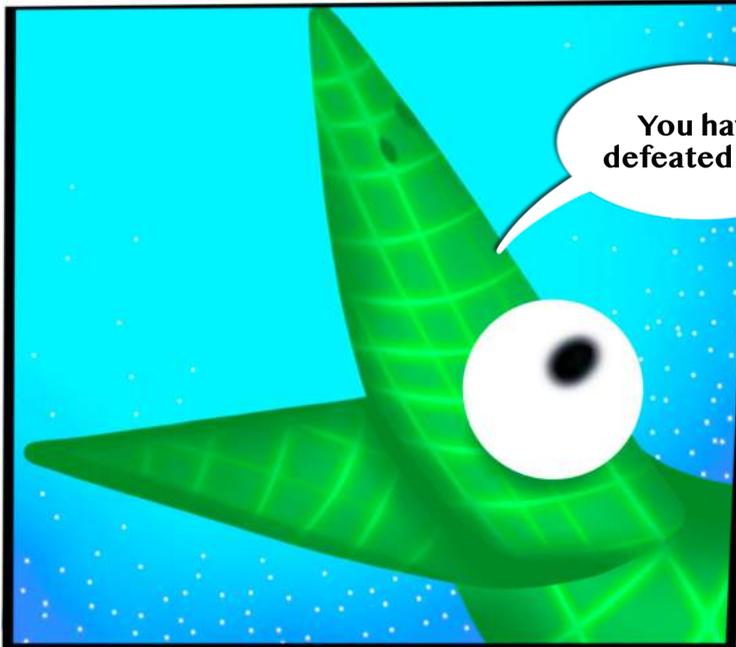

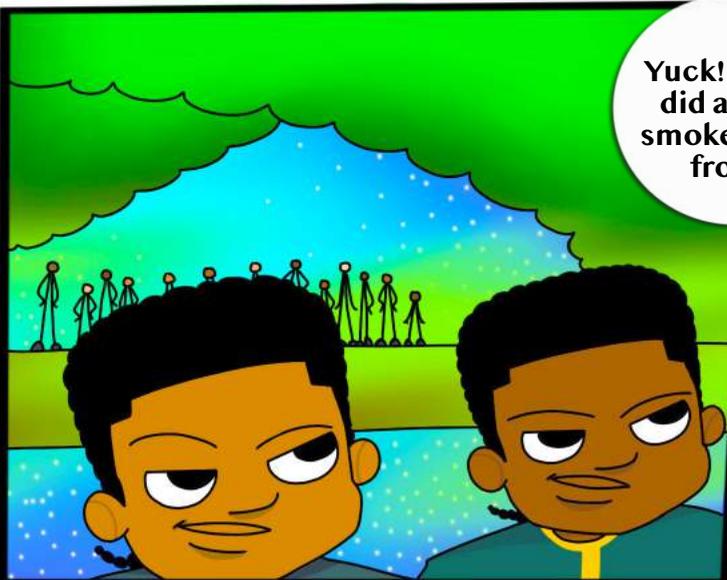

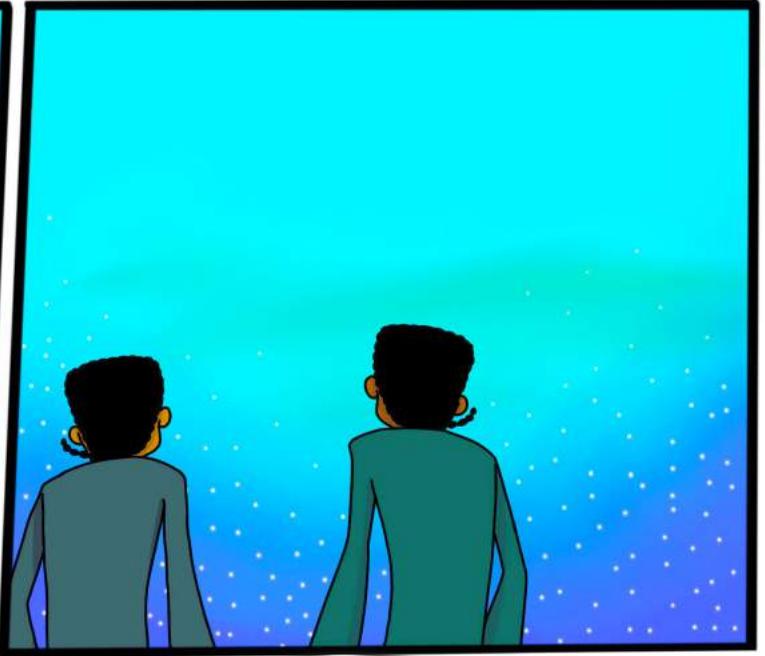

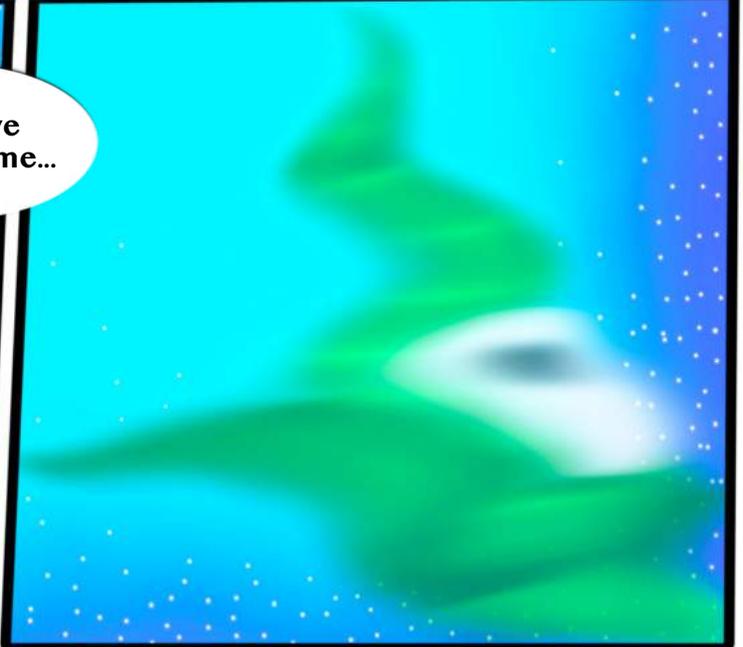

Oh No!

You have defeated me...

Yuck! where did all this smoke come from?

Djahutwy and Gabab must have defeated the Tataf!

They did it!

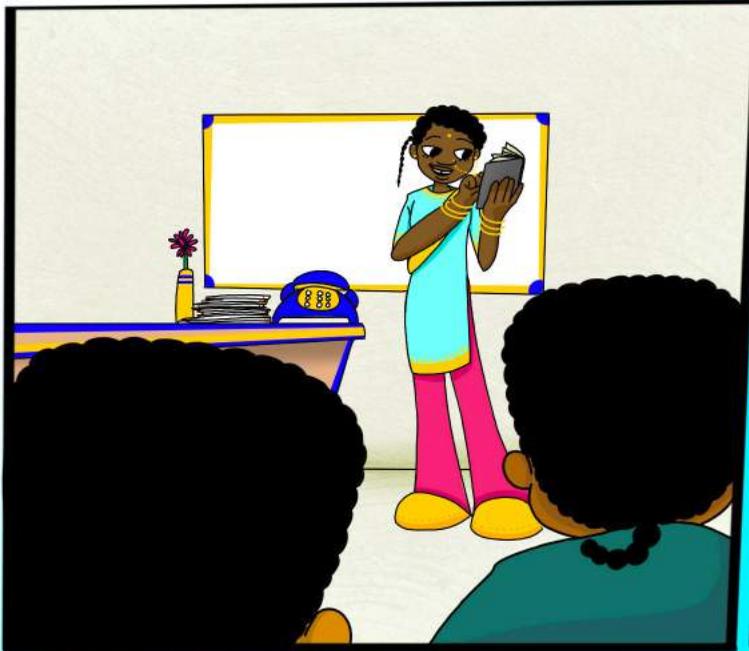

HOORAY!

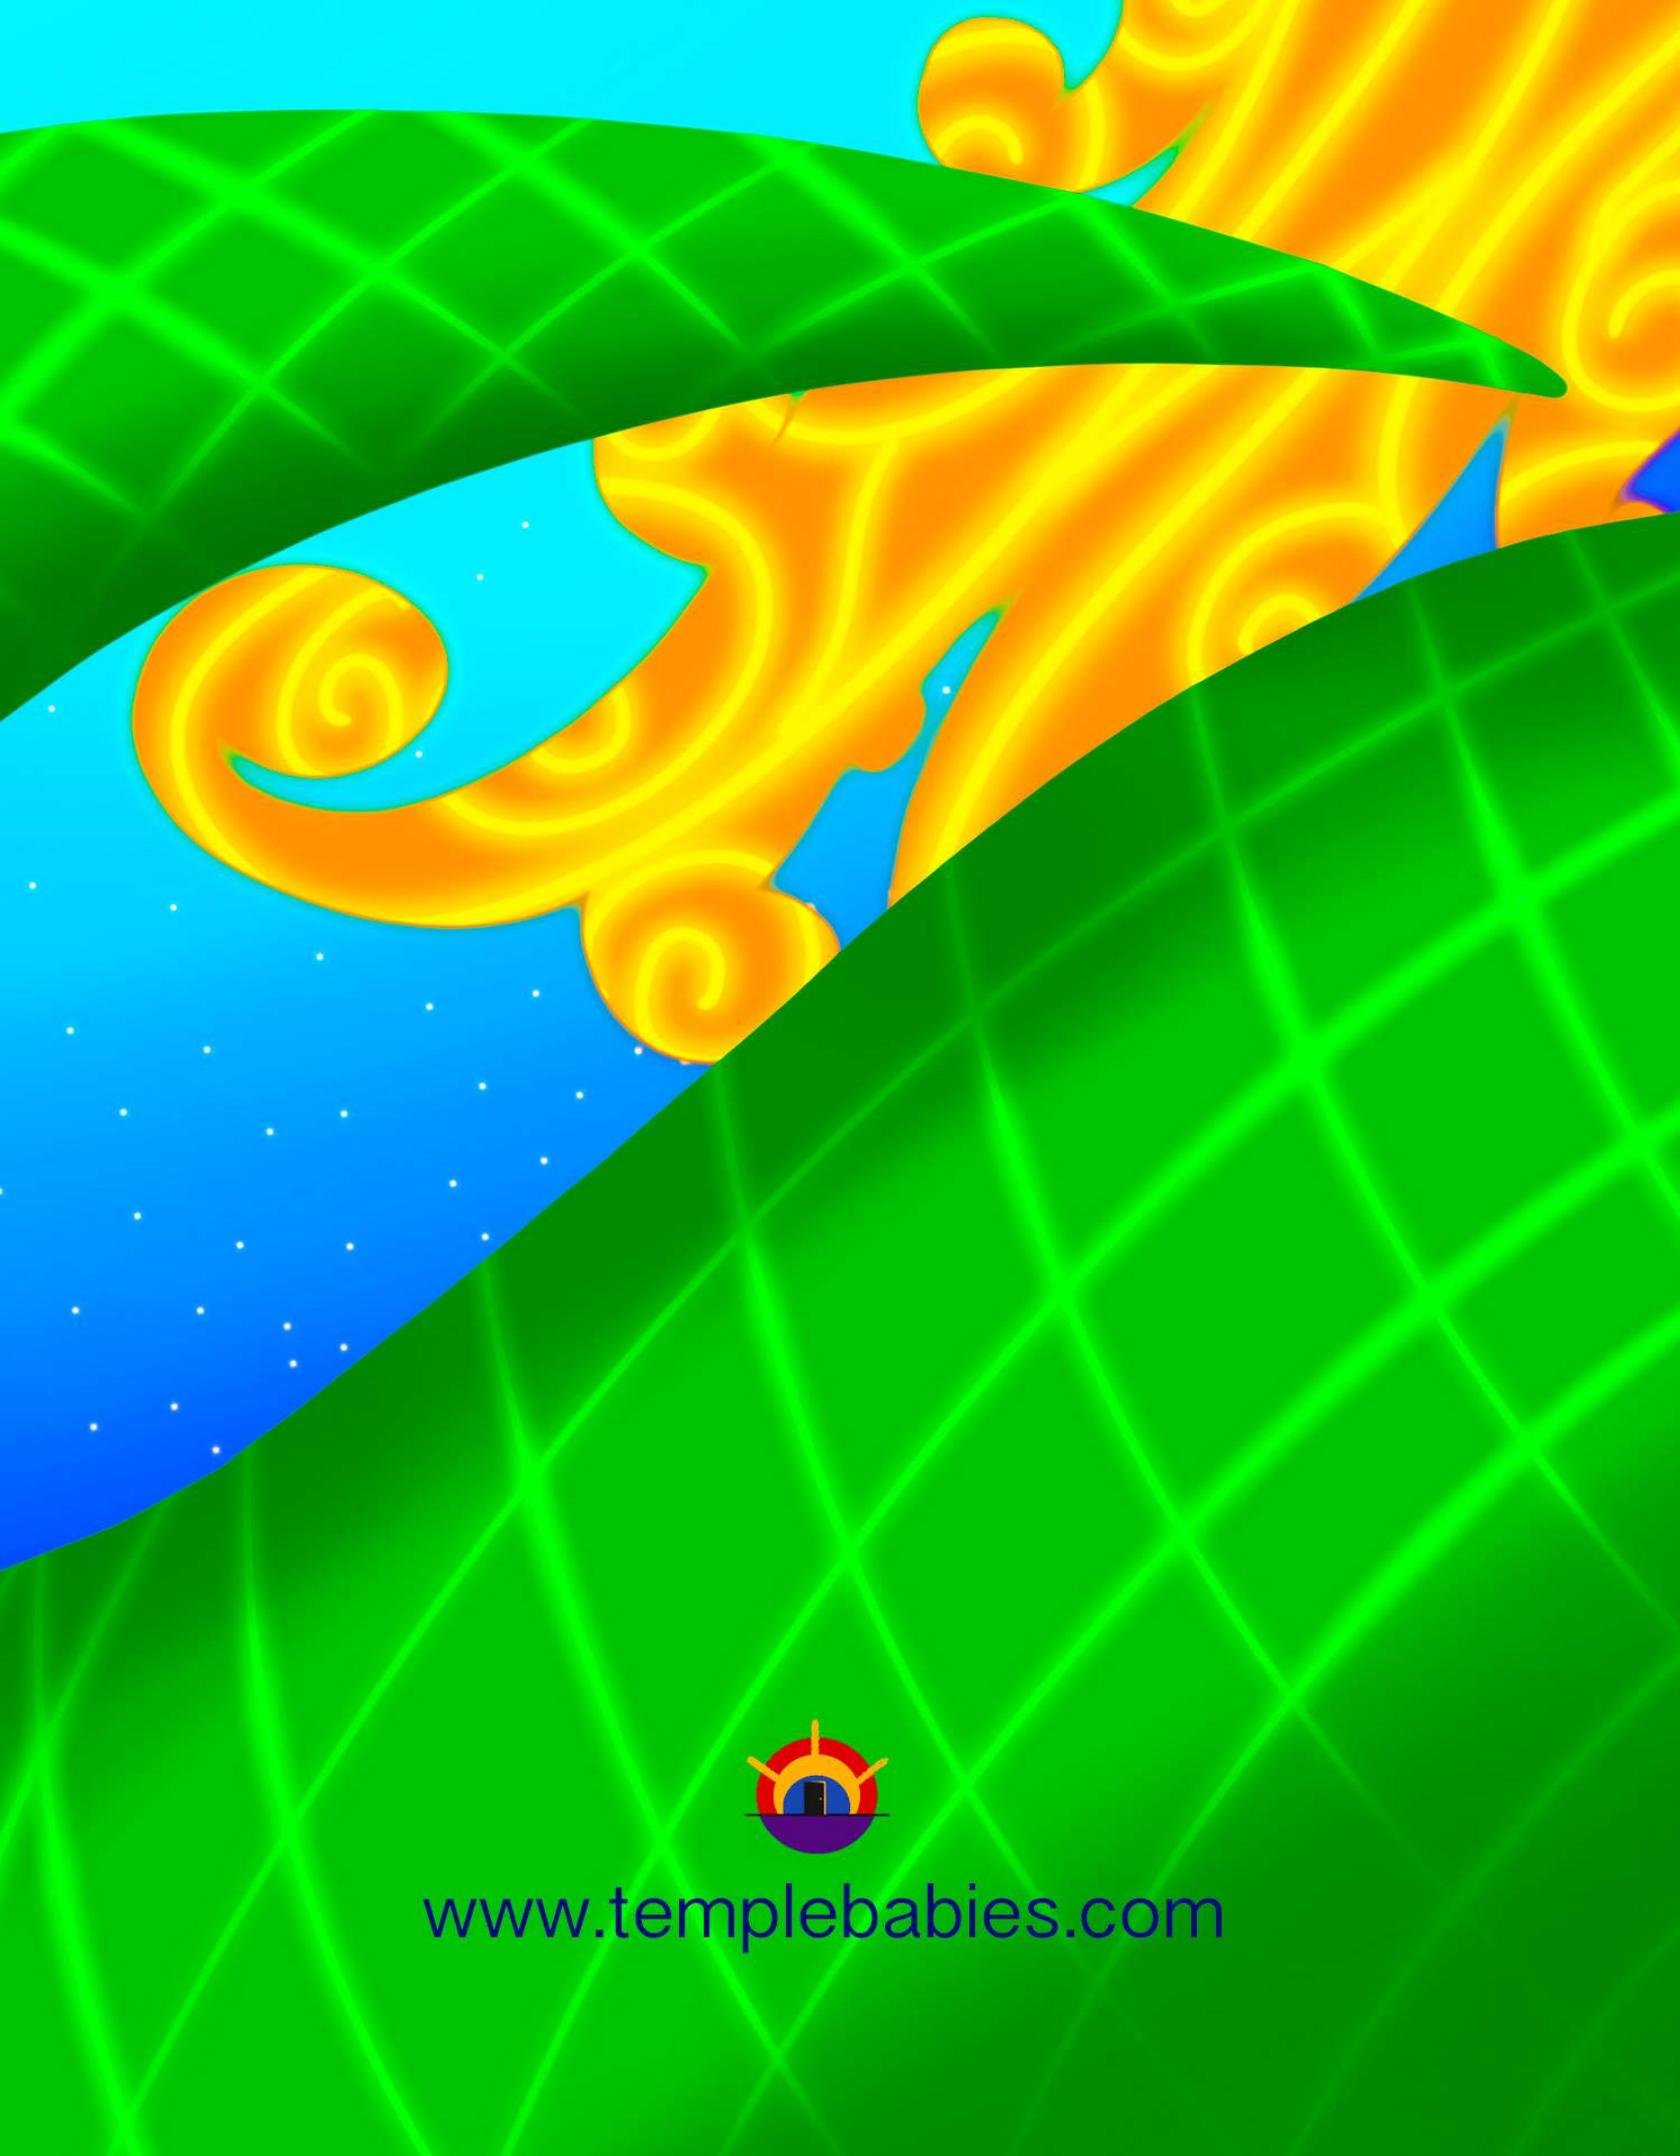

All thanks to you Mahart!

Tamare was safe once again thanks to
THALU; the three siblings.
