Ephesians 6:17

"We have all heard this saying, if your faith is as little as a mustard seed, you can move mountains; what happens when you have faith close to 100% or as big as the mountain itself. Faith takes us into a world where a child's faith gives him immense powers in the spirit realm allowing him to fight demons of different kind, bringing a new kind of Superhero never seen before.

We all have battles we are fighting every day; What we need to know is, we can all be our own superhero in our stories. Only if we can build our faith to that level greater than a mustard seed, we would be able to tackle our daily struggles or demons head-on.

When we pray, what really happens in the spirit realm. As we pray daily or increase in faith, are we getting stronger in the spirit realm? Faith lets us know that it's not age or size in the physical that matters but our faith when we pray."

CHARACTER PROFILE

Legal Name: Faith Jumbo

Gender: Male

Age: 6

Occupation: None

Height: 3 ft 5 inch

Weight: 40 kg

Nationality: Nigerian

POWERS & ABILITY

Powers: Access the Spirit realm, get revelations on humans being attacked spiritually, locate people and speak things into reality.

Ability: Limited to his mind and faith.

Weapon: Prayer

Faith has always lived his life home schooled by his parents; his parents noticed how special he was right from when he started talking as a baby; Whatever faith said came to pass 90% of the time, because of this, his parents kept him away from society to prevent him from being corrupted by the things of the world. At the age of 6 his powers had grown exponentially; he could locate those fighting spiritual battles and help them fight demons oppressing them. His parents taught him to pray and made him believe; whatever he asked or prayed about would always be answered and then they finally released him to society!
